

BUILDING DIVISION FEE SCHEDULES INFLATION ADJUSTMENT

The proposed resolution for the Newberg Building Division fee schedules are to be adjusted to account for inflation effective April 1, 2025 by City Council. The resolution proposes to approve building division fees to reflect changes in the consumer price index of 2.9% (December 2024 CPI). The change also establishes a minimum charge of \$108.22 for most permits and makes various minor changes to the fee schedules.

These changes will be effective for any permit issued after March 31, 2025.
